Day 3 Astoria, OR

A nationally significant historic region at the western end of the Lewis & Clark Trail, Astoria is the oldest American settlement west of the Rockies. In the winter of 1805-06, the Lewis & Clark Corps of Discover Expedition was headquartered at Fort Clatsop. In 1955, a replica of the fort was built near the original site and was eventually named a National Monument. With its steep hills and beautiful Victorian homes, Astoria has been called the "Little San Francisco of the Pacific Northwest" and has a revitalized downtown ideal for shopping and dining.

Day 4 Mount St. Helens, WA

Perhaps the most impactful of all landmarks in the region is Mount St. Helens. From high on an overlook, bear witness to the awesome power of the volcano whose eruption in 1980 scorched 230 square miles of forest land and forever changed the landscape. Expert guides will show you the pumice plain and lava dome as they explain the effect the volcano had on the lives of those in the surrounding towns.

Day 5 Cruising the Columbia River Gorge / Stevenson, WA

The Columbia River Gorge is a spectacular river canyon cutting through the Cascade Mountain Range with amazing natural contrasts of rain forest and desert, sea-level passage and alpine meadows. As the largest federally protected National Scenic Area in the United States, the Gorge boasts stunning waterfalls, basalt cliffs, lakes, streams, rivers, and fields of wildflowers. In the 1800's, Lewis & Clark traveled down the scenic Columbia River Gorge on their journey westward, with the Oregon Trail pioneers following soon after. Today, the area offers a variety history museums and art centers, fine dining, theaters, wineries, many recreational opportunities and some of the most impressive landscapes in the world.

Day 5 The Dalles, OR

Located between Mount Hood and Mount Adams, The Dalles is famous for being the last stop on the historic Oregon Trail. To the pioneers, the terrain was treacherous; to today's visitors, it is simply stunning. Overlooking the Columbia River Gorge is Cascade Cliffs Winery, the ideal place to spend an afternoon with expert sommeliers enjoying the bounty of the fertile Columbia Valley.

Day 6 Pendleton, OR / Richland, WA

Pendleton is known for its beautiful countryside, indigenous Native American tribes, and the network of underground tunnels created a century ago for illicit activities. The area is also famous for its lucrative wool trade in the 18th and 19th centuries. Visit The REACH Museum in Richland which illustrates the culture and history of the region through engaging exhibits, artifacts, and tours.

Day 7 Clarkston, WA

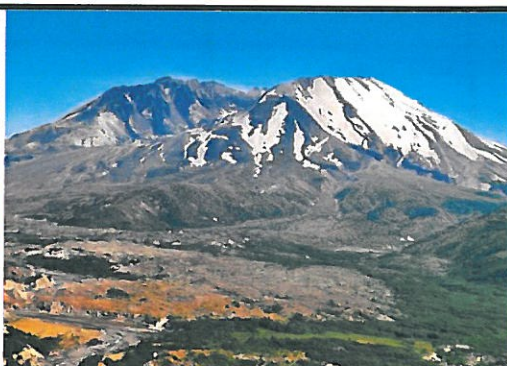

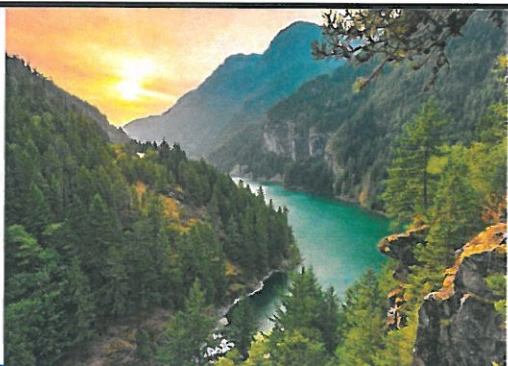

Nestled at the convergence of the Snake and Clearwater Rivers in southeast Washington, Clarkston is the gateway to North America's deepest gorge, Hells Canyon. Named for William Clark of the historic Lewis and Clark Expedition, the town features beautiful scenic vistas, year-round recreation and an inland seaport rich in history. Follow the footsteps of the pioneers before us as you explore Clarkston's natural bounty and small town charm.

Day 8 Clarkston/Spokane, WA

After breakfast, depart the QUEEN OF THE WEST and transfer to Spokane for your flight home. This concludes a most memorable cruise on the Columbia and Snake River.

Sample Unique Shore Excursions:

Columbia River Maritime Museum, Ft. Clatsop, Mt. St. Helens Excursion, Johnson Ridge Observatory, Columbia Gorge Discovery Center, Cascade Cliffs Winery Tour and Tasting, Maryhill Art Museum, The Pendleton Excursion, Hells Canyon Jet Boat Adventure, Nez Perce National Park, Bonneville Dam
